ALARD GROUP OF INSTITUTES

Approved by AICTE, DTE & Affiliated to Savitribai Phule Pune University

ALARD

Where Education is promoted through productive activities and programmes are created to award job opportunities. The ALARD Group of Institutes are structured to create future leaders of this new generation.

THE CHAPTER BEGINS.
BE PART OF THIS
MODERN
LEARNING
JOURNEY.

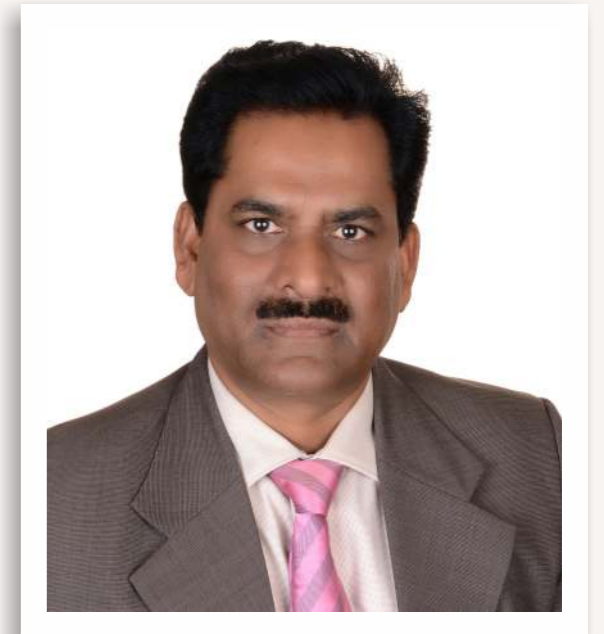

We are **HONORED**, We are **ALARDIANS**.

FROM THE DESK OF CHAIRMAN

NO MATTER HOW MUCH
WE **ACHIEVE**.
Never relax!
BECAUSE SOMETHING
EXCITING IS
ALWAYS WAITING TO HAPPEN.

Dr. L. R. Yadav
B.Sc, AMIE, (Mechanical Engg),
PGDM, MBA, PH.D.

From being a part of agriculture family in a small village of Aghaw district Deoria (U.P) has never affected my dreams of becoming a successful entrepreneur. My vision was always cleared of contributing a huge in the field of education and academics. After my schooling education, I shifted to Pune for higher education and then joined hands in my family business which was since 1968 and expanded the ALARD Group.

It was 1988, when I laid the foundation of ALARD Industries Ltd. and set up the manufacturing unit for machinery for sugar, cement and power plants. Impressively, the company has executed a lot of prestigious projects in Sugar Industries, Chemical Industries, Power Generation Plants, etc.

The zest of building a better nation uplifted me to establish reputed education Institutes in Pune which is focused on professional and higher education in engineering, Management, Pharmacy, Law, Medical Education, and Schools.

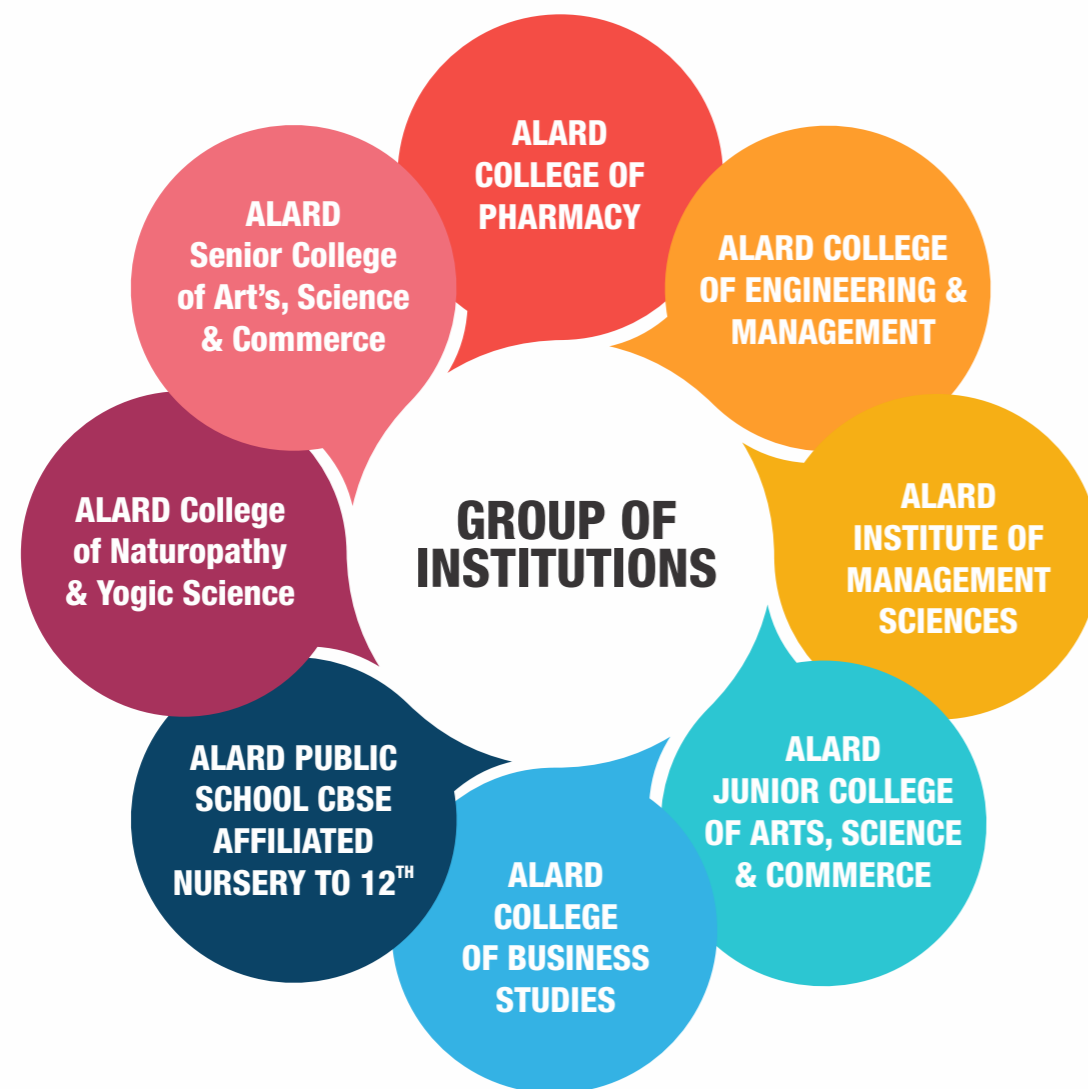

Being The Founder Chairman and Managing Trustee of ALARD, It's my responsibility to provide the best education to my students. ALARD has achieved a lot yet the present time is to take the next bigger leap and we can't relax or rest.

ALARD CHARITABLE TRUST

www.alardinstitutes.com

**“What we learn with
pleasure we never forget”**
Alfred Mercier

Alard Charitable Trust, An Educational Trust is
Registered Under Bombay Charitable Trust Act 1960.

PROPOSED INSTITUTES (ACADEMIC YEAR 2020-2021)

- ALARD Metropolitan School of Law
- ALARD International School

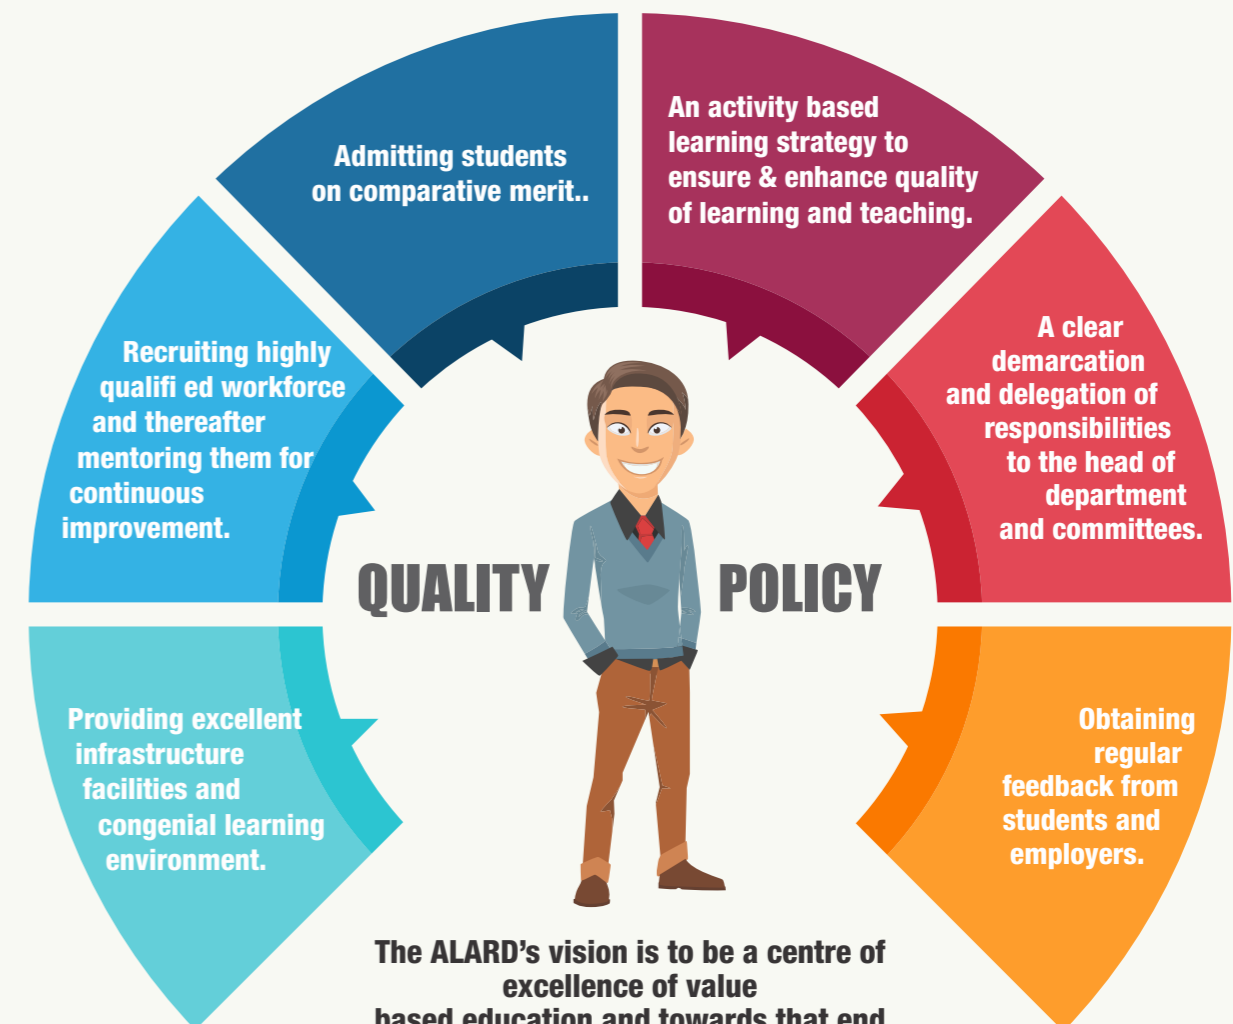

VISION

To emerge as a World - Class Educational Institute. ALARD has grabbed the center of excellence in the field of value-based learning and to mould new generation leader. Our vision is to contribute to the development of management thought and application of knowledge for the health, wealth and well being of the society.

MISSION

To produce value-based professionals in all aspects of management science who can successfully thrive on the cutting edge of the global market competition thereby enhancing the image of their profession, the institute and the country.

The ALARD's vision is to be a centre of excellence of value based education and towards that end the approach to quality would be

ACHIEVEMENTS & AWARDS

Best Infrastructure icon Award by Hon. Mr. Nitin Gadkari,
Minister Of Road Transport and Highways

Leadership Excellence Award for Industrial Development

1988: Received Award for Turnkey Installation & Commissioning of 1250 TCD Sugar Complex by the auspicious hands of Hon'ble Shri Amar Singh Chaudhary, Chief Minister Gujarat State & Hon'ble Shri Ahemad Patel, at Shree Ganesh Khand Udyog Sahakari Mandli Ltd. Vaalia, Dist. Bharuch, and Gujarat State.

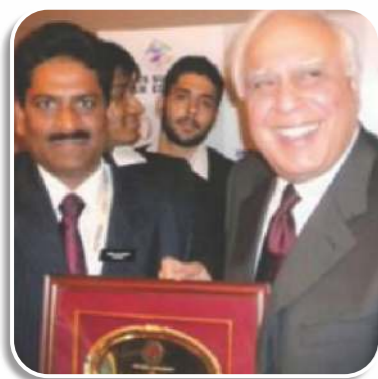

1995: Won Award for Installation & Commissioning of Expansion Sugar Plant by the auspicious hands of Shri Sarad Rao Pawar Defense Minister Government of India.

1999: Received Award for Installation & Commissioning of 2500 TCD Sugar Plant on Turnkey basis by the auspicious Hands of Smt. Sonia Gandhi, President Indian National Congress, at Muktabai SSK Ltd., Muktainagar, Jalgaon, and Maharashtra State.

2007: Participated the Delegation in South headed by Dr. Manmohan Singh, Prime Minister of India in Johannesburg, South Africa.

► **2010:** Honoured by Hon'ble Kapil Sibal, Minister of Human Recourse & Development in Mumbai for contribution in Technical education as Founder Chairman of Alard Group of Institutions.

◄ **2015:** Achieved first prize in Built Quality and CAE in Design, Development of All train Vehicle in BAZA at Pritampur, Indore.

► **12th August 2018:** Received Award under the Emerging Engineering and Management Institute in Maharashtra by the auspicious hand Hon'ble Shri. Chandrashekhar Bawankule Cabinet Minister of Energy, Govt. of Maharashtra.

◄ **20th August 2018:** Received Award for infrastructure Icon at Mumbai by the auspicious hands of Shri Nitin Gadkariji, Minister of Road, Transport and Highway, Shipping and Water Resources Govt. of India.

OUR JOURNEY

It was the year of 1999 when a big turning point knocks the door of success for us and then everything just diverted into the pool of excel. This year **ALARD GROUP OF INSTITUTE** was established and founded by Dr. LR Yadav, chairman of the ALARD Charitable Trust. His vision and mission were clear as he wanted to fabricate the institute with Trust, Transparency & Teamwork. It was never an easy initiative but with the contribution of ALARDians today we are counted among the prestigious institutes of Pune.

This vision of Dr. L. R. Yadav painted a milestone in the walls of ALARD Group. Today not only from Maharashtra but also from various corners, aspiring students opt us to get a high-quality education under the umbrella of handpicked experienced professors. We are confident enough that students joining the institute will have a pleasant stay and will grab a rewarding career.

GLIMPSE OF DEPARTMENT

B.E. MECH. ENGG. Choice Code: 632561210

Department has all the equipments necessary to impart quality training. Some of the laboratories are Thermodynamics, Theory of Machines, Metallurgy and CAD/CAM. The workshops are equipped with latest machine & tools.

B.E. COMP.ENGG. Choice Code: 632524210

Department has specially designed hardware and software labs. A complete LAN with latest i3 and i5 computers, advanced software and 24 hrs. broadband internet connectivity are some of the features of the department.

B.E. ELECTRICAL. ENGG. Choice Code: 632529310

Department is well equipped with machines along with panel mounted measuring instruments, computer labs equipped with latest software required for control system, power system and machine lab.

B.E. CIVIL. ENGG. Choice Code: 632519110

Department has latest test equipment for imparting practical knowledge in the fields of Structural, Geotechnical, Transportation, Environmental, Surveying & Geology.

B.E. ELECTRONIC & TELECOMM. ENGG. Choice Code: 632537210

The Elec. & Telecomm. department is well equipped with laboratories having some of the latest state-of-the-art equipment & software. Students are encouraged to be creative & innovative.

BRIEF INFORMATION ABOUT DEPARTMENT

DEPARTMENT OF MECHANICAL ENGINEERING

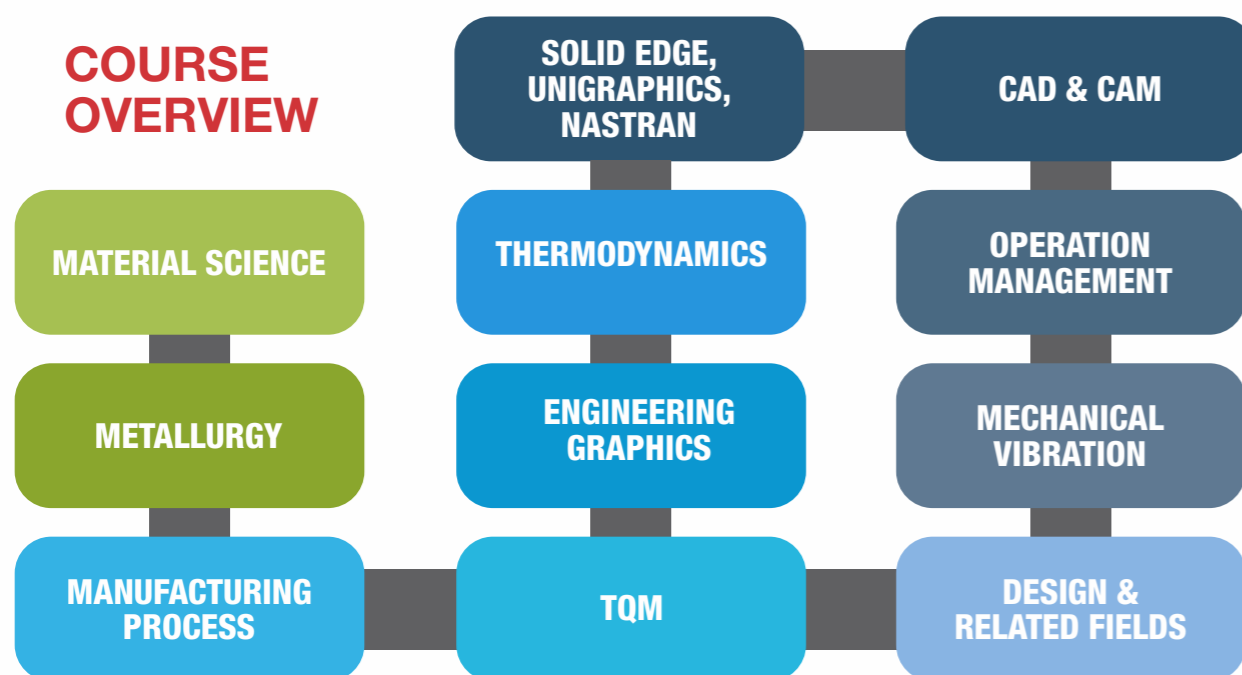

Mechanical Engineering is concerned with the production, transmission, and use of mechanical power and heat. It is the largest branch of the engineering industry extending across many interdisciplinary, interdependent specialties. It is concerned with the design, operation & maintenance of machines.

OBJECTIVE & ACTIVITIES

Train students technically to practice Mech. Engg.

Train students on software like SOLID EDGE, UNI-GRAPHICS, NASTRAN.

Conduct guest lectures by eminent scientists & technologists from NAL, ISRO, HAL, HMT.

DEPARTMENT OF ELECTRONICS & TELECOMMUNICATION

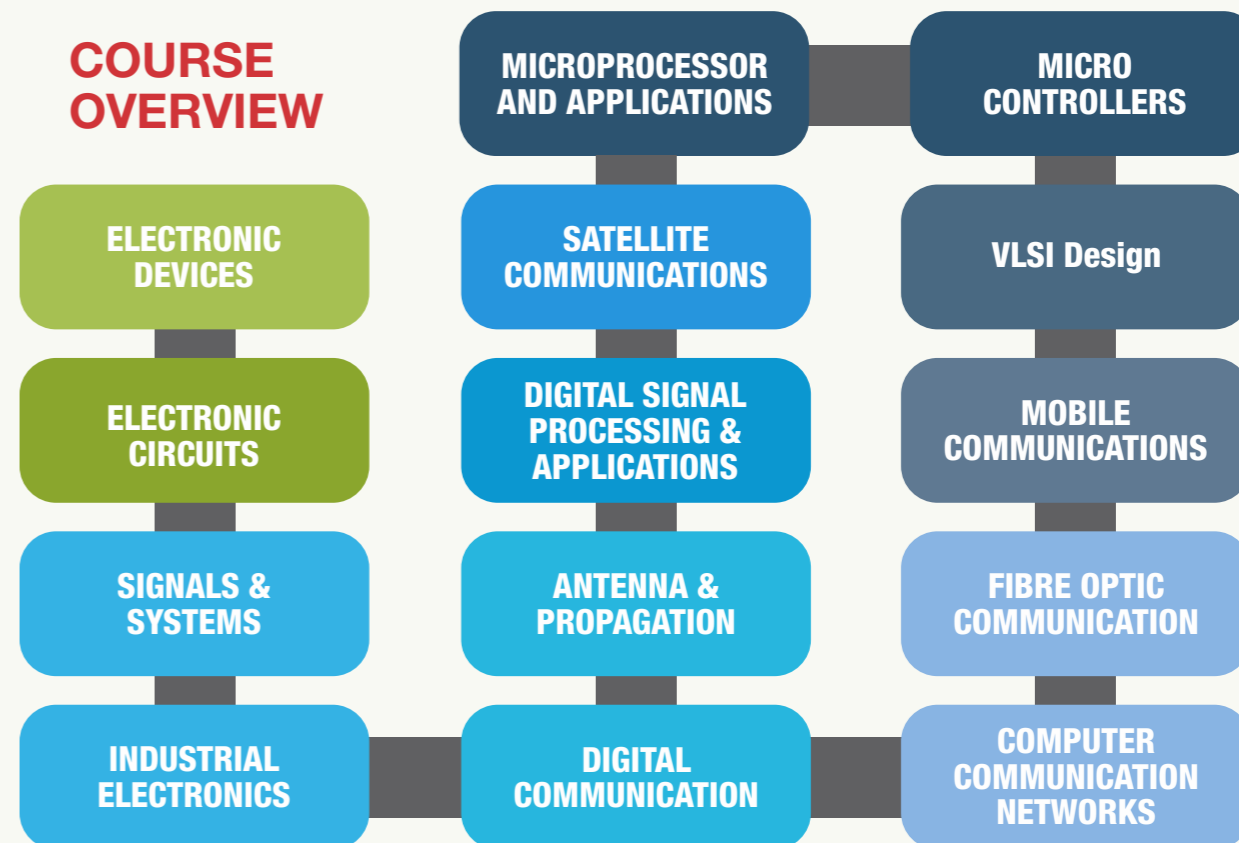

The main aim of the department of Electronics & Telecomm. is to train & educate students with sound knowledge and aware them about the latest trends in Electronics, Communication and the IT sector. The various laboratories of the department are Analog Lab, Microprocessor Lab, VLSI & DSP Lab, Comm. Lab, Microwave Lab, and Project Lab.

OBJECTIVE & ACTIVITIES

To mould fresh entrant with sound professional knowledge.

To provide a clear understanding in the field of Electronics & Telecomm.

To evolve innovative applications of technology and foster research and development.

DEPARTMENT OF CIVIL ENGINEERING

Buildings are always governing civilization. This department has charted out innovative steps to educate impart knowledge to students. The main goal of this department is to orient students towards the subject with a practical approach through theory, design and keen mathematical attitude. The students can be prepared with a responsive mind and steel nerves to face the difficulties in Global Construction Field.

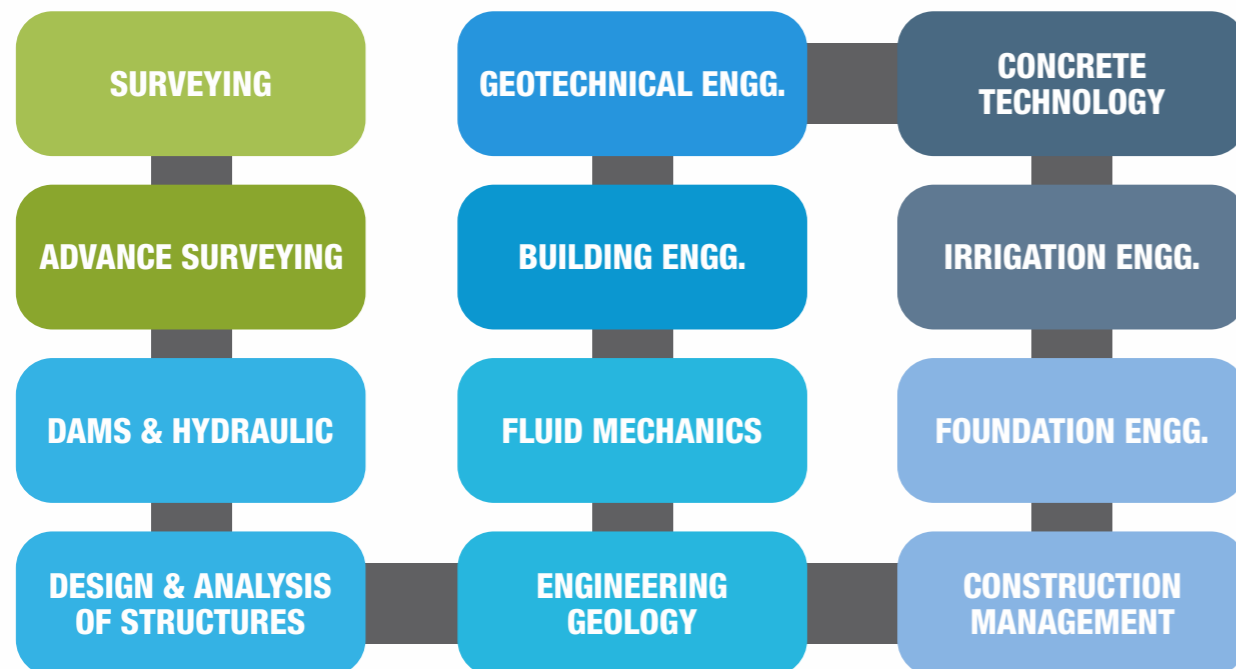

OBJECTIVE & ACTIVITIES

To train students in overall aspects of different types of construction.

Conduct mega exhibitions like “CONSTRO” which helps students to get familiarize with different types of construction equipments and machineries in practically.

To arrange various guest lectures of leaders of this field and much more.

COURSE OVERVIEW

DEPARTMENT OF ELECTRICAL ENGINEERING

The Department of Electrical Technology at ACEM provides skills and knowledge and also incorporates the application of interdisciplinary theories, concepts and models of information and communication technologies. The key objective of this department is to make the students acquire the ability to be responsible to new electrical technology and quickly respond to the changing requirements of the complex electrical environment.

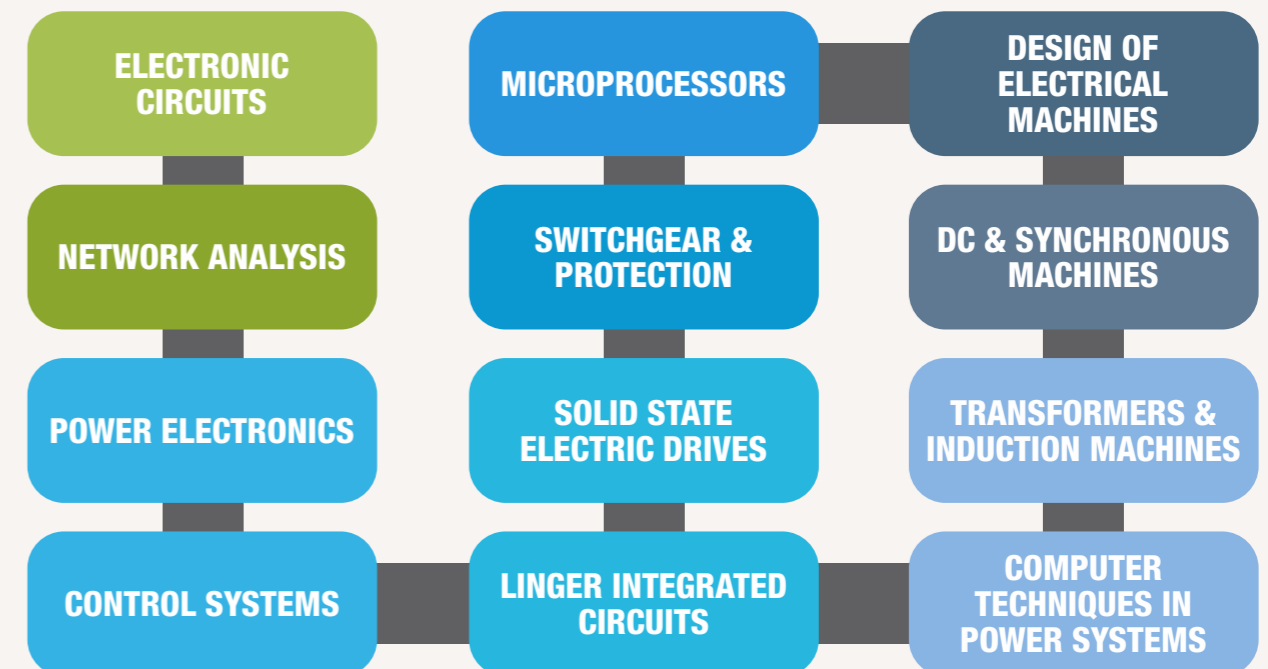

OBJECTIVE & ACTIVITIES

To train students in all technical areas & develop analytical capabilities.

To present technical papers at national and international level conferences and seminars.

To organize guest lectures from experts in academics & industry.

COURSE OVERVIEW

DEPARTMENT OF COMPUTER ENGINEERING

The Department of Computer Engineering at ACEM prepares students for professional employment and progressive careers as Computer Engineers and provides the fundamental knowledge needed for long term professional growth.

COURSE OVERVIEW

Data Structures in C	System Software
OOPS with C++	Unix System Programming
ADA	Software Engineering
FAFL	Computer Graphics
Computer Organization	Compiler Design
Microprocessors	JAVA and CGI Programming
DC	Pattern Recognition
DBMS	Digital Signal Processing
Operating System	Digital Images Processing
VLSI Design	Data-Mining and Warehousing
Fuzzy Logic	Cryptography and Network Security
Client Server Computing	Embedded Systems
Principles of Programming Languages	Neutral Networks

ALARD INSTITUTE OF MANAGEMENT SCIENCES

1

AIMS, the chariot of management studies, being driven by three horses GYAN (KNOWLEDGE), BUDDHI (WISDOM), VIVEK (CONSCIOUSNESS) has tried to hone and nurture the skills of students to meet the demands of corporate life. As it is said once, "The basic thinking of a man is improved, it will automatically enhance the quality of his actions and their results". Mostly emphasizing on these facts every strategic action is taken into account at every single step.

WHY AIMS

2

KNOWLEDGE or GYAN is all about awareness of a fact or a situation. It is a unique possession that cannot be stolen or plundered. It even does not decrease if shared. In fact, it is POWER. Knowledge is the amassed thought and experience of countless human beings. The possession of knowledge gives a distinct advantage over the others. An idea that develops in mind is a POWER that changes the world.

4

AIMS, the chariot of management studies, being driven by three horses GYAN (KNOWLEDGE), BUDDHI (WISDOM), VIVEK (CONSCIOUSNESS) has tried to hone and nurture the skills of students to meet the demands of corporate life. As it is said once, "The basic thinking of a man is improved, it will automatically enhance the quality of his actions and their results". Mostly emphasizing on these facts every strategic action is taken into account at every single step.

3

BUDDHI or WISDOM could be said as making use of knowledge. It involves an integration of knowledge, experience and deep understanding that incorporates tolerance for the uncertainties of life as well as its ups and downs. In general terms, a man becomes wise when he could see what needs to be done and do it successfully without being told to do so.

5

AIMS, the chariot of management studies, being driven by three horses GYAN (KNOWLEDGE), BUDDHI (WISDOM), VIVEK (CONSCIOUSNESS) has tried to hone and nurture the skills of students to meet the demands of corporate life. As it is said once, "The basic thinking of a man is improved, it will automatically enhance the quality of his actions and their results". Mostly emphasizing on these facts every strategic action is taken into account at every single step.

6

ALARD COLLEGE OF PHARMACY

ABOUT ALARD COLLEGE OF PHARMACY

Affiliated to Savitribai Phule Pune University & approved by AICTE, New Delhi, Pharmacy Council of India, New Delhi, and DTE, Mumbai.

Alard College of Pharmacy (ACP) has been set up in the year 2006 to meet the ever-growing demand from Pharmacy professionals not only from within the country but worldwide as well. A career in Pharmacy unfolds a vista full of opportunities leading to an excellent future for a young career aspirant. The institute has acquired Minority Status (for Hindi speaking candidates) since July 2007.

Alard College of Pharmacy has regular interaction with various Industry- Institute Professional bodies such as IPA, APTI, etc. and sets emphasis on the Industry & Academic interaction by organizing Industrial Visits, Guest Lectures & Pharma Activities... Special attention is being put to create & develop an ideal Pharmacist who can continuously serve the community. These future newborn leaders & managers would have a comprehensive knowledge of the Pharmacy & will be able to apply it to real-life issues due to their meticulous learning at our Institute.

UNDER GRADUATE COURSE B. PHARMACY

CHOICE CODE - 635982310

INTAKE : 60 STUDENTS

PROGRAMME STRUCTURE

**The four major Departments under
Pharmaceutical Sciences are as follows:**

- 1 Pharmaceutics (Study of Dosage Forms/ Formulations)
- 2 Pharmaceutical Chemistry (Study of Chemistry of Drug Molecules and Study of Analytical techniques)
- 3 Pharmacognosy (Study of Drugs of Natural Origin)
- 4 Pharmacology (Study of Action of Drugs)

Under the Dept. of Pharmaceutical Chemistry and Pharmaceutical Analysis covers basic and advanced, organic and inorganic chemistry, reactions of drugs / intermediates / additives in biological systems, chemistry of drugs, Structure Activity Relationships (SAR), synthesis of drugs and intermediates on laboratory scale and analysis of drugs and raw materials by instrumental, titrimetric and volumetric methods. The applications of theory are taken in the laboratory.

ADMISSION PROCEDURE

A four year full time degree course in Bachelor of Pharmacy (B.Pharm)

ELIGIBILITY

For Admission to B. Pharm (First Year)

- 1 Candidate should be an Indian National
- 2 Candidate should obtain Non Zero Positive Score in MHCET/NEET conducted by Competent Authority
- 3 For open Category - Candidate should pass HSC with minimum 50% marks in aggregate or its equivalent examination with Physics and Chemistry as compulsory subjects along with one of the Mathematics or Biology.
- 4 For reserve Category - Candidate should pass HSC with minimum 45% marks in aggregate or its equivalent examination with Physics and Chemistry as compulsory subjects along with one of the Mathematics or Biology.

For Admission to B. Pharm (Direct Second Year)

- 1 Candidate should be an Indian National
- 2 Pass Diploma Course in Pharmacy with at least 45 % marks (at least 40 % marks in case of candidates of Backward class categories and Persons with disability belonging to Maharashtra State only) from the All India Council for Technical Education or Pharmacy Council of India or Central or State Government approved Institution or its equivalent.
- 3 Any other criterion declared from time to time by the appropriate authority as defined under the Act

POST GRADUATE COURSE M.PHARMACY IN PHARMACEUTICS

Choice Code - 635981710

INTAKE : 12 STUDENTS

Master of Pharmacy in Pharmaceutics (M.Pharm)

The core subjects of M. Pharmacy in Pharmaceutics builds fundamentals for pharmaceutical formulation development, evaluation and application in current scenario. The research areas include formulation development of conventional dosage forms & novel drug delivery system development, Complexation, solubilization and other forms of drug quality improvement & nanotechnology.

ADMISSION PROCEDURE

A two year full time degree course in Master of Pharmacy (Pharmaceutics)

ELIGIBILITY

For Admission to M. Pharm

- 1 Candidate should be an Indian National
- 2 Candidate should obtain Non Zero Positive Score in Graduates Pharmacy Aptitude Test (GPAT) conducted by All India Council for Technical Education
- 3 For open Category - Candidate should pass HSC with minimum 55% marks in aggregate or its equivalent examination with Physics and Chemistry as compulsory subjects along with one of the Mathematics or Biology.
- 4 For reserve Category - Candidate should pass HSC with minimum 50% marks in aggregate or its equivalent examination with Physics and Chemistry as compulsory subjects along with one of the Mathematics or Biology.

POST GRADUATE COURSE

M.PHARMACY IN QUALITY ASSURANCE TECHNIQUES

Choice Code - 635912610

INTAKE : 15 STUDENTS

Master of Pharmacy in Quality Assurance Techniques (M. Pharm)

The main subjects of M Pharmacy in Pharmaceutical Quality Assurance (Quality Assurance Techniques) are centered at modern quality assurance techniques, analytical method & process validation techniques, stability-indicating analytical method development and its validation, impurity profiling of drugs and analytical method development by HPLC and HPTLC, as well as statistical evaluation there of.

ADMISSION PROCEDURE

A two year full time degree course in Master of Pharmacy
(Quality Assurance Techniques)

ELIGIBILITY

For Admission to B. Pharm (First Year)

- 1 Candidate should be an Indian National
- 2 Candidate should obtain Non Zero Positive Score in Graduates Pharmacy Aptitude Test (GPAT) conducted by All India Council for Technical Education
- 3 For open Category - Candidate should pass HSC with minimum 55% marks in aggregate or its equivalent examination with Physics and Chemistry as compulsory subjects along with one of the Mathematics or Biology.

ALARD CHARITABLE TRUST'S ALARD ACADEMY OF YOGA & NATUROPATHY

MARUNJE, PUNE: 411057

(Affiliated to KaviKulaguru Kalidas Sanskrit University, Nagpur)

COURSES OFFERED	DURATION
BA	3 Years
B.Sc	3 Years
B.Com	3 Years

ABOUT US

ALARD Academy of Yoga is an earnest effort in bringing together the knowledge and practice of Yoga and Ayurveda to address the wellness needs of our present day world.

Dr L. R. Yadav, saw the need for thorough professionalism in Yoga and Ayurveda services in India and set up an Educational Academy in 2019. Currently the Academy is functioning in Hinjewadi, Pune.

WHAT WE OFFER

INTENSIVE FORMAT

ALARD Academy of Yoga and Naturopathy follows intensive formats of Yoga and Sciences

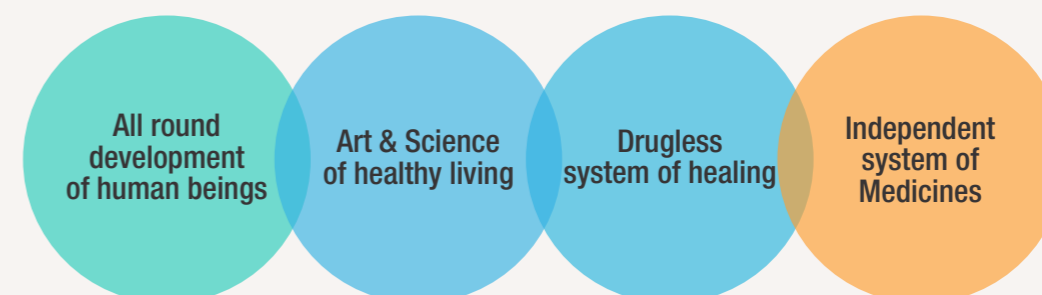

World Class Infrastructure

The institute is delightfully Architected as like new generation needs that provides world class infrastructure and amenities to it's students

Experienced Staff

ALARD Academy of Yoga and Naturopathy has very experienced and renowned faculty and trainers from the industry

SPECIAL FEATURES

ALARD PUBLIC SCHOOL

ALARD Public School is one of the most elite CBSE schools in Hinjewadi, Pune. We believe in structuring a world class education system for our young ALARDians. We are pleased of being a home for students aged from 3yrs to 18yrs. Our expert faculty and trained staff nurture the students with dedicated responsibility and love that render the well polished future generation leaders. We are proud of our multi-cultural ethos, and the way our community collaborates to make a difference. Our curriculum is built on the latest & best CBSE standards and guidelines.

Enthuse, Enlighten and Empower: The three strong pillars that define who we are, our beliefs and our commitment towards growth and focus.

Enthuse: We aim to create future leaders through our commitment towards learning and imparting education that encourages students to think out of the box. We believe in inspiring and creating enthusiasm through our learning-centric approach based on new-age teaching methodology.

Enlighten: Our constant endeavour is to challenge the normal and go beyond the ordinary. We aspire to guide our students in finding the special quality that helps them stand apart. For this, we bring on board future-forward educational curriculum that is based on the best international practices. We combine the power of learning and individual skill sets, which we believe are the core of a rightful identity of any creative being.

Empower: We understand a school is a place for imbibing knowledge and learning through fascinating experiences. We provide opportunities for our students, which are a perfect blend of curricular and co-curricular studies such as cultural and sports education. We have developed first-of-its-kind SPA (Sports and Performing Arts) initiative that gives every child a chance to outperform, explore and grow.

“ **The future belongs to those who believe in the beauty of their dreams** ”
Eleanor Roosevelt

MISSION

Alard Public School was founded in 2013 to provide students with excellent academic programs and a nurturing environment with close student-teacher relationships. Alard Public School is a private yet affordable elementary school offering a stimulating curriculum and a supportive environment to ensure our students experience success every day.

- 1 Alard Public School was founded in 2013
- 2 Students with excellent academic programs
- 3 Stimulating curriculum and a supportive environment
- 4 A private yet affordable elementary school
- 5 Students experience success every day
- 6 Supportive environment to ensure

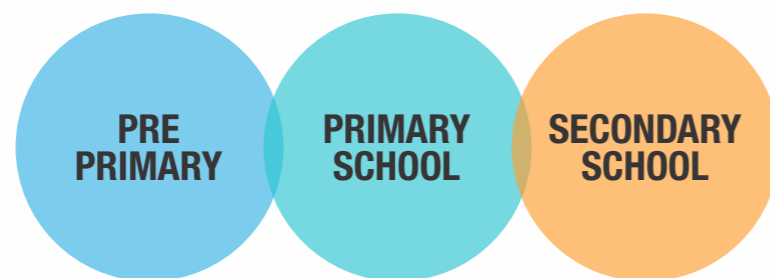

VISION

- 1 To create a centre of academic excellence in the field of school education.
- 2 To provide right knowledge, skill and attitude to the child.
- 3 To groom the child to be competitive.
- 4 To fulfill the requirement of the future so that they develop a positive personality and face the challenges of life bravely.

ACADEMICS

From 10 faculty members, 40 students and three fields of study at the time of its founding, Alard Public School has grown to more than 1,600 faculty, 35,000 students and over 350 degree programs in 130 academic departments and 80 interdisciplinary research units. One of the most important things we can do for students is not just teach them specific knowledge and skills, but help them match their interests to their career path.

WING OF ALARD PUBLIC SCHOOL

WELCOME TO PRE PRIMARY WING

WELCOME TO THE PRE PRIMARY PROGRAMME OF ALARD PUBLIC SCHOOL

The Pre Primary Programme (PPP) is the curriculum framework used to provide an educational approach for the youngest students at Alard public School from Preschool 1, (three years old) to PPP 5, (ten to eleven year olds).

The Pre Primary Programme is a separately accredited section of Alard Public School. It is the first part of the CBSE Curriculum.

WELCOME TO PRIMARY SCHOOL

WELCOME TO THE PRIMARY PROGRAMME OF ALARD PUBLIC SCHOOL

We at the Primary section of Alard school strongly believe in bringing out the child's personality by making the child participate in a variety of academic and non-academic activities. All classes, from class I till class V, have a theme which is the basis of all activities planned every month.

We, at Alard, follow a child-centric approach following Bloom's Taxonomy. Attention is paid on the holistic development of each child ranging from Physical, Emotional, Social and Cognitive aspects.

WELCOME TO THE SECONDARY PROGRAMME OF ALARD PUBLIC SCHOOL

We at the Secondary section of Alard Public School provides a curriculum which allows students to develop the knowledge, attitudes and skills they need to participate effectively in life in the twenty-first century. The concept of balance is fundamental to the programme in a number of ways. The Alard Public School emphasizes the development of the whole child: affective, cognitive, creative and physical; its effective implementation depends on the school's concern for the whole educational experience, including what children learn outside the classroom.

CORPORATE RELATIONS

MINAKSHI TYAGI

Executive Director (AIMS)

We are committed to achieving professional excellence in imparting management education. We have constantly endeavored to incorporate various academic-related initiatives. It is our interest to let industry recognize the capabilities of our students and give them challenging assignments both at the national and international levels. We interact with various industries and build relations with them. For better understanding of industry needs and operations we maintain good corporate relations that ultimately helps in better placements for students. It is very important to let industry recognize the capabilities of our students.
